EUTELSAT IGO to attend the ITU Plenipotentiary Conference 2022

INTERNATIONAL TELECOMMUNICATION UNION • 29 August 2022

The Executive Secretary of EUTELSAT IGO will attend the Plenipotentiary Conference of the International Telecommunications Union (ITU) to be held in Bucharest, Romania, from 26 September to 14 October 2022.

The Plenipotentiary Conference, ITU's highest policy-making body, meets once every four years to set the Union's general policies, adopt the four-year strategic and financial plans, and elect the senior management team of the organization, the Member States of the Council, and the members of the Radio Regulations Board.

EUTELSAT IGO has the status of International Organisation Operating Satellite Systems in all three sectors of ITU and participates in ITU meetings.

For further information, please refer to the [official website](#).

About EUTELSAT IGO

EUTELSAT IGO is the European Telecommunications Satellite Organization. Established by an international treaty, the intergovernmental organisation is headquartered in Paris and comprises 49 Member States. Its primary mission is to ensure that the company Eutelsat S.A. complies with the Basic Principles of the EUTELSAT Amended Convention. It also ensures continuity of the rights to use radiofrequencies and orbital locations which were assigned collectively to the Member States and the Organisation by the International Telecommunication Union. EUTELSAT IGO is an active contributing member of the international telecommunications and space communities.
